Enter the 6-digit code (demo: 123456).

TirthNow

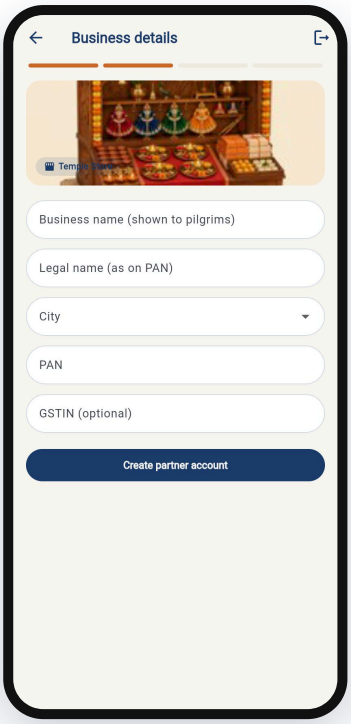

Onboarding

Choose your service, add business details, verify, go live.

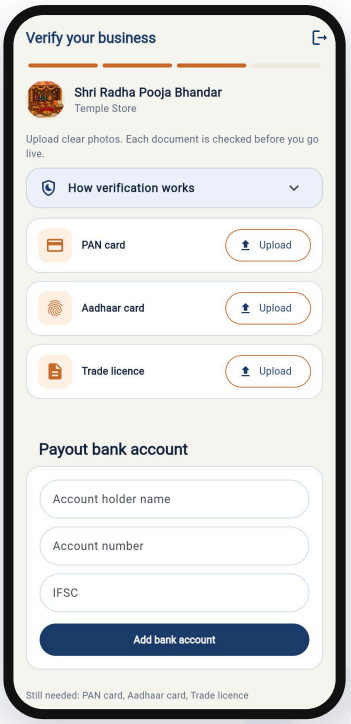

Choose service

Cab & Taxi (bike, auto, car), Hotel, Dharamshala, Restaurant or Temple Store.

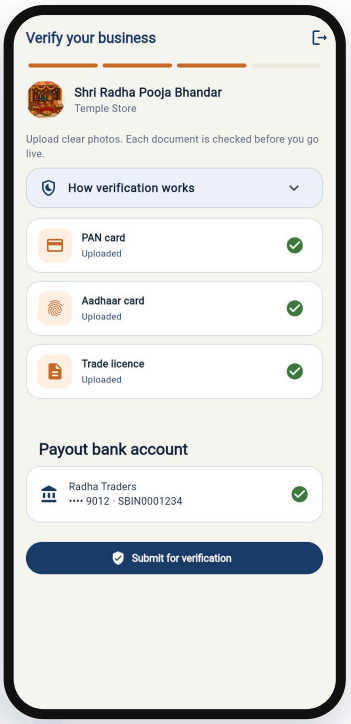

Business details

Business and legal name, city, PAN and optional GSTIN, all validated.

KYC documents

Only the documents your service needs (PAN, Aadhaar, trade licence / FSSAI / RC / driving licence) plus how verification works.

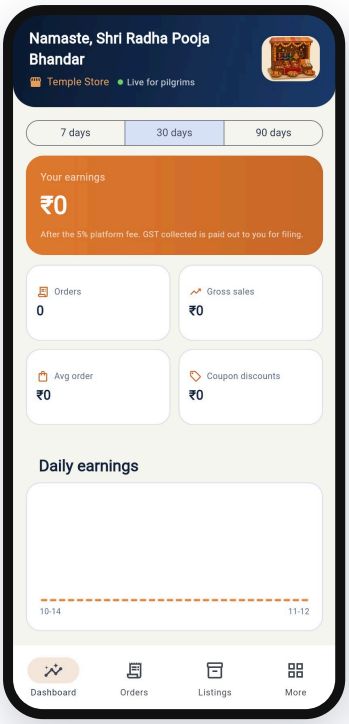

Payout bank

Documents uploaded; add the payout bank account, then submit for verification.

TirthNow

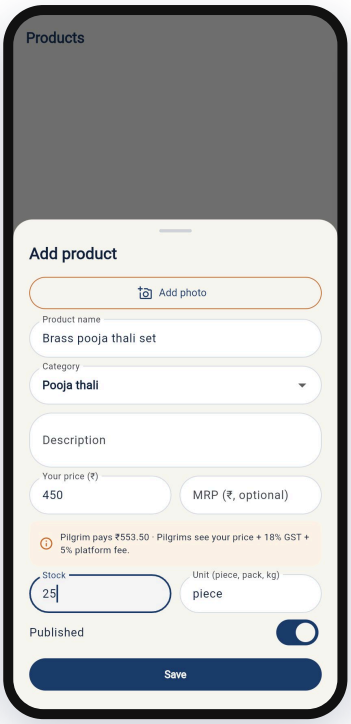

Run your business

Earnings, listings and offers in one app.

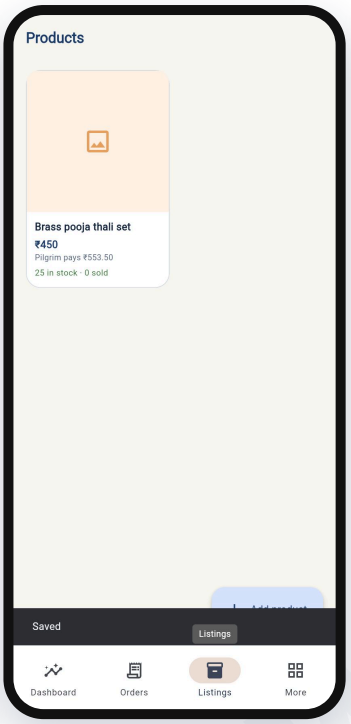

Dashboard

Earnings after the 5% platform fee, orders, gross sales, coupon discounts, daily chart and ratings (7/30/90 days).

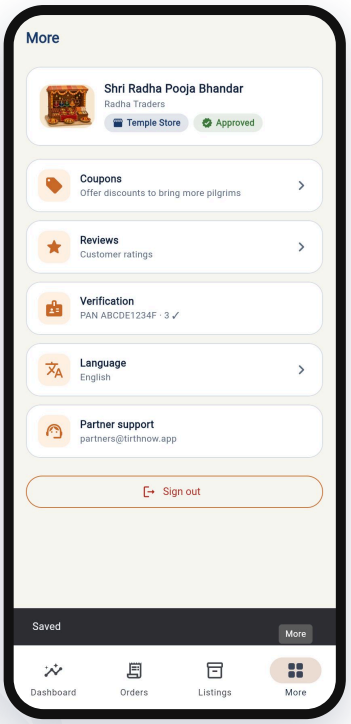

Add a listing

Photo, name, category, price, stock; live preview of what the pilgrim pays (+18% GST +5% fee).

Listings

Products with pilgrim price, stock and units sold. Cabs, stays and restaurants get vehicles & fares, rooms and menus.

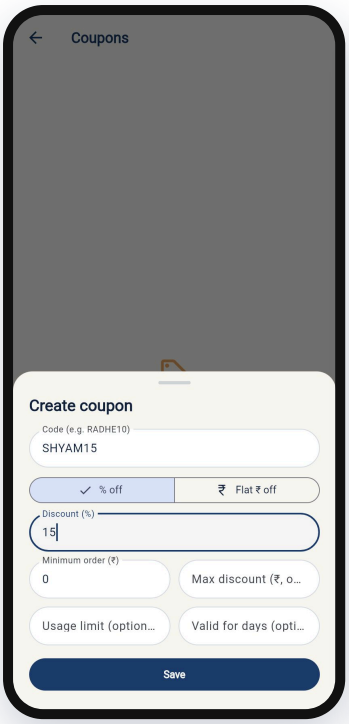

More

Coupons, customer reviews (with replies), verification status, language, support.

TirthNow

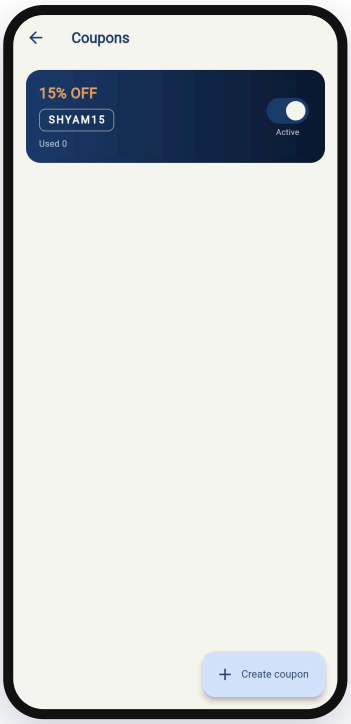

Coupons

Bring in more pilgrims with your own offers.

Create coupon

Percent or flat off, minimum order, max discount, usage limit and validity.

Your coupons

Active / paused toggle and usage count.

Screens captured from the current build with a new demo Temple Store partner. Approval is automatic until the admin panel is ready (then partners see “Waiting for approval”). Online Aadhaar / PAN / bank verification needs the client's KYC provider account; GST is a flat 18% as requested.
