Welcome & sign-in

First impression of the app, in Hindi and English.

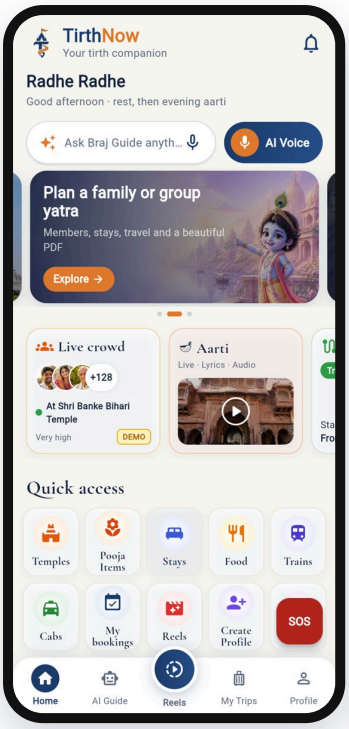

Sign in

Krishna banner, Login / Register tabs, phone OTP, continue as guest, choose language.

TirthNow

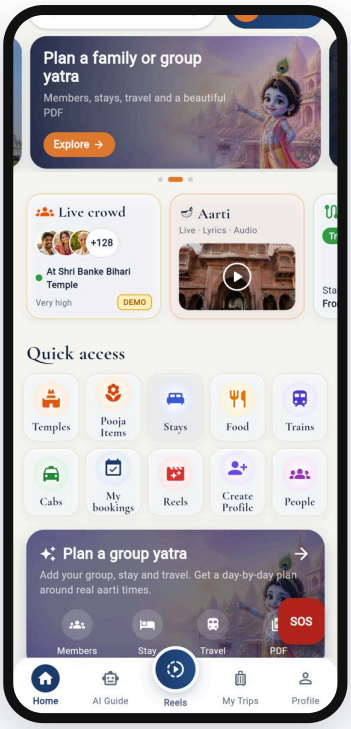

Home

The pilgrim's dashboard: everything one tap away.

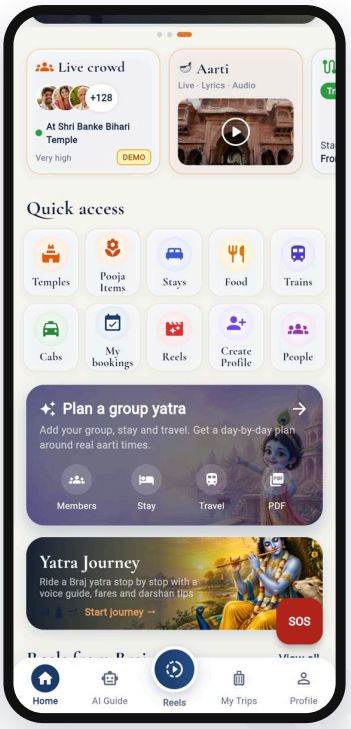

Home

“Radhe Radhe” greeting, “Your tirth companion”, AI search and voice, auto-sliding photo banners.

Live crowd, aarti, my trip

Live Crowd with sample pilgrims (marked DEMO), Aarti with lyrics and audio, My Trip status; 10-item quick access.

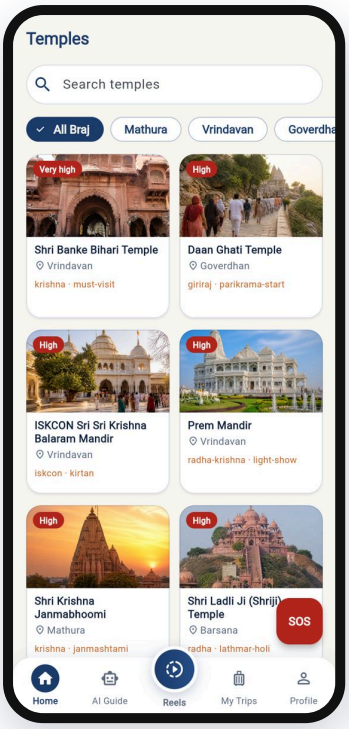

Plan & journey

Photo banners for “Plan a group yatra” and the Yatra Journey, reels strip, popular temples.

TirthNow

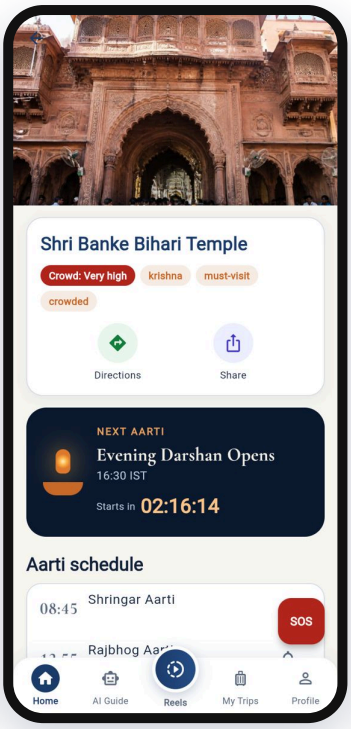

Temples & aarti

Darshan information that pilgrims can trust: aarti times come only from the temple schedule.

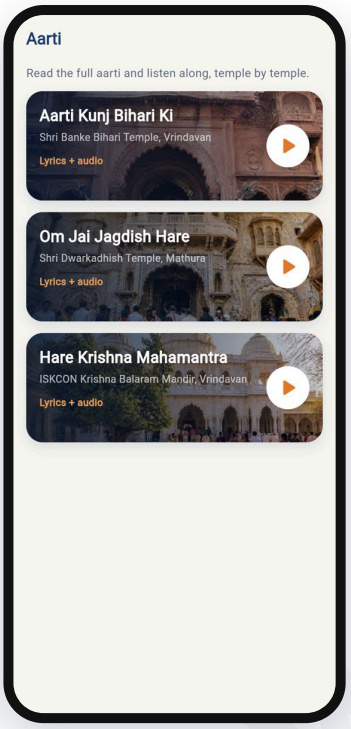

Temples

Search and filter by city, crowd level on each card.

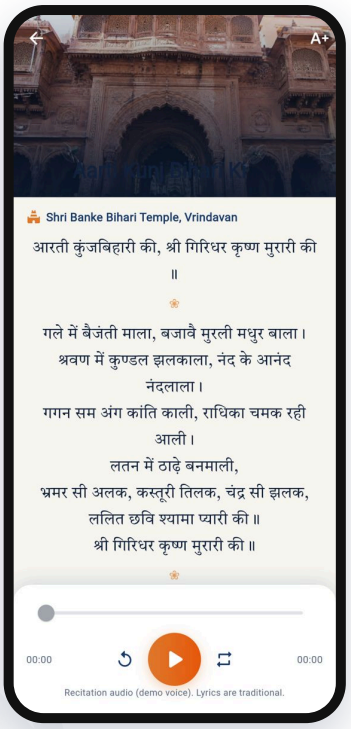

Temple details

Crowd, directions, share, live countdown to the next aarti, full aarti schedule.

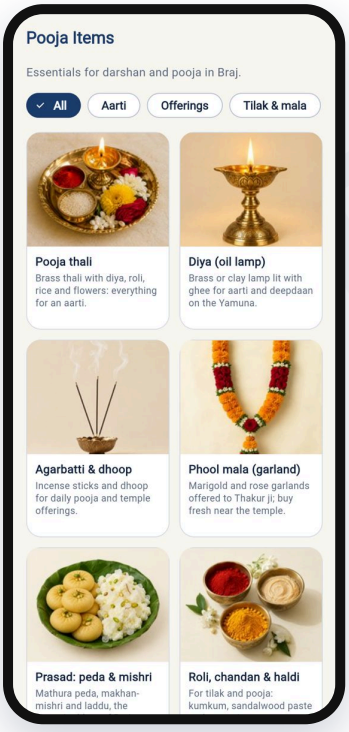

Aarti by temple

Aarti Kunj Bihari Ki, Om Jai Jagdish Hare, Hare Krishna Mahamantra.

Lyrics + audio

Full Hindi lyrics, play / pause / replay / repeat, seek bar, text size.

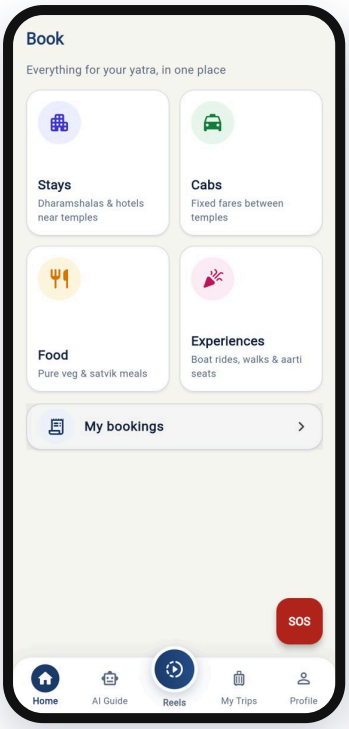

Pooja Items

Pooja thali, diya, agarbatti, garland, prasad, tilak, mala, Laddu Gopal poshak, by category.

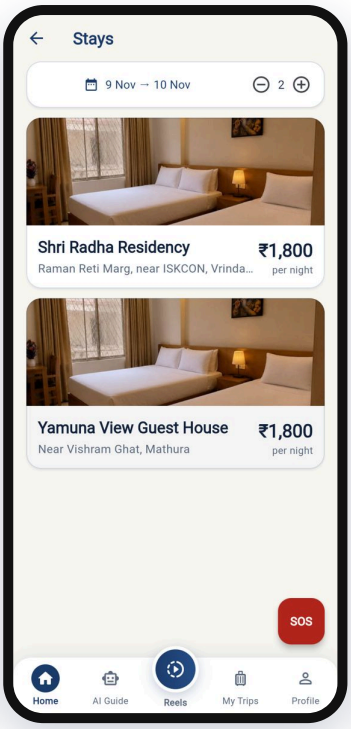

Book

Stays, food and cabs from local partners, paid securely in the app.

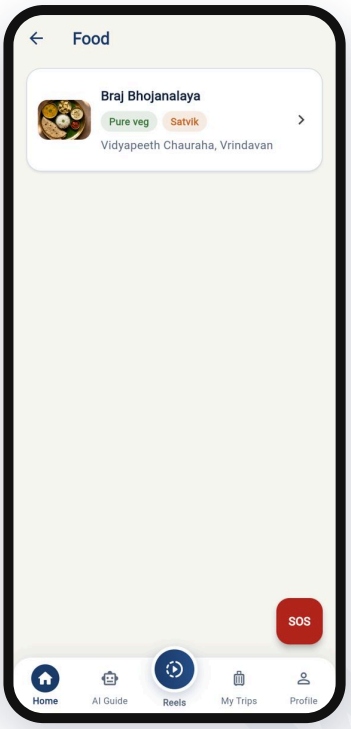

Book hub

Stays, cabs, food and experiences in one place.

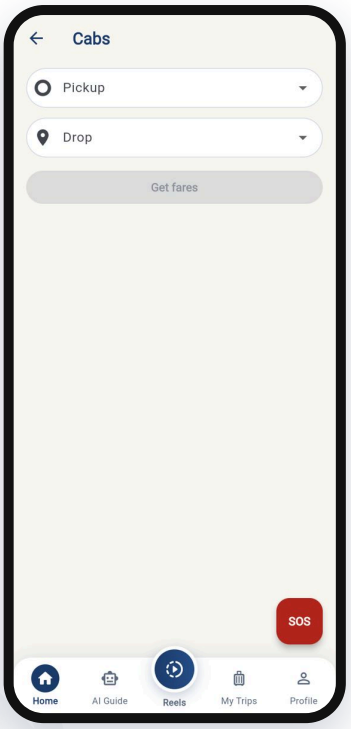

Stays

Dates and guests, hotel photos, price per night.

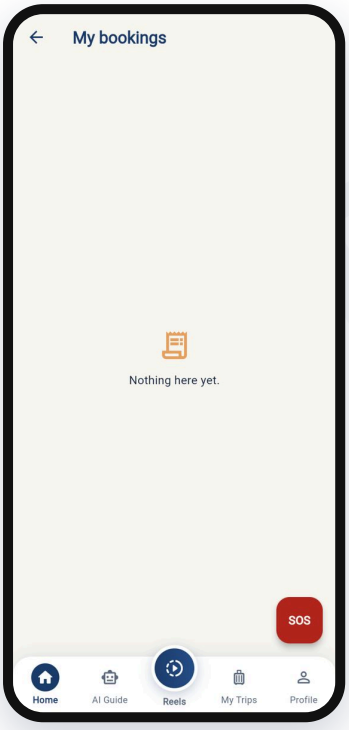

Food

Pure-veg and sattvik restaurants near the temples.

Cabs

Pickup and drop with fixed fares between temples.

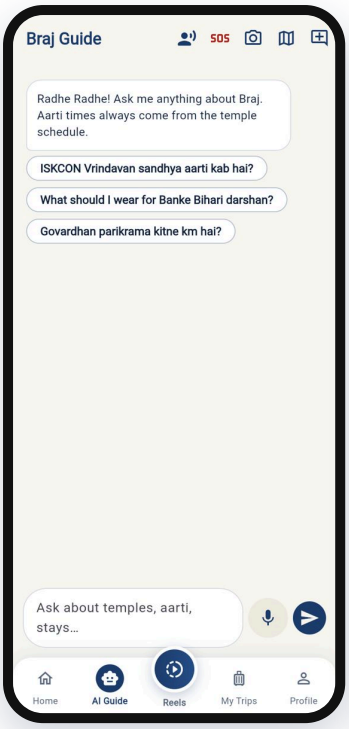

My bookings

All your bookings and their status.

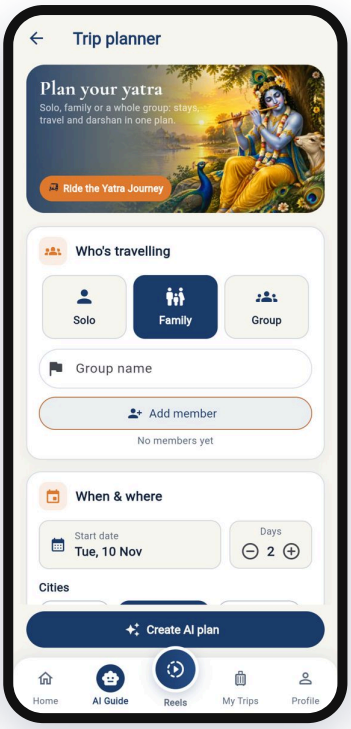

AI guide, planner & journey

Plan the yatra and get guided along the way.

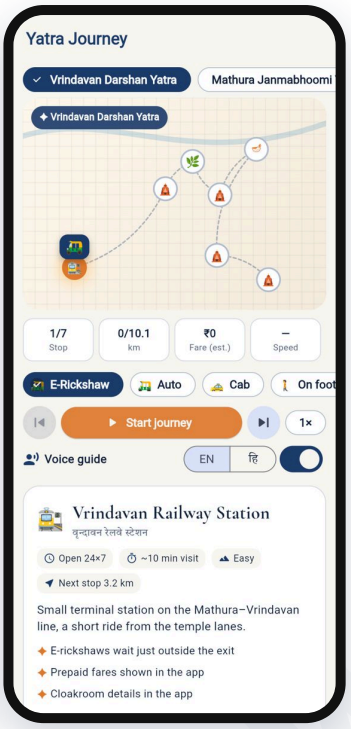

Braj Guide (AI)

Ask by text or voice; spoken replies in Hindi or English; temple photo scan.

Plan your yatra

Krishna ji banner, solo / family / group with members, dates, cities, stay, travel, AI or custom plan, branded PDF.

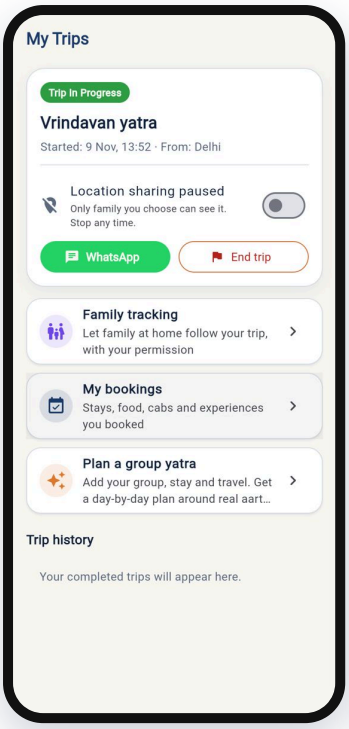

Yatra Journey

Ride a Vrindavan, Mathura or Govardhan yatra stop by stop with a voice guide, fares and darshan tips.

TirthNow

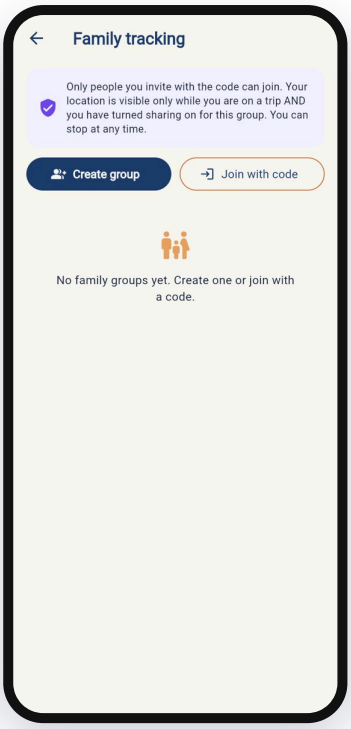

Trips & family

Travel with peace of mind: family can follow along, only with your consent.

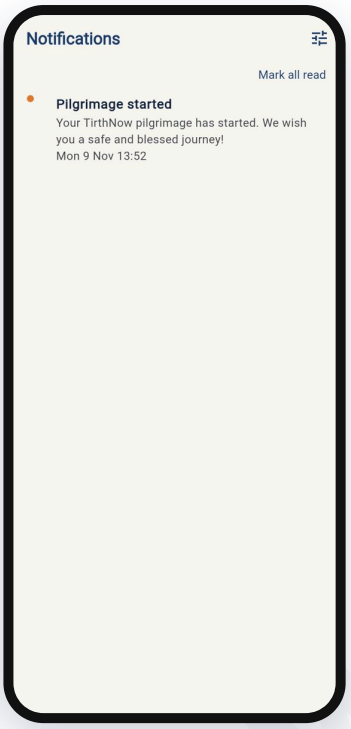

My Trips

Start / end a pilgrimage (with notifications), share on WhatsApp, live-location switch, trip history.

Family tracking

Create or join a family group with a code; each member chooses to share; see members on a trip.

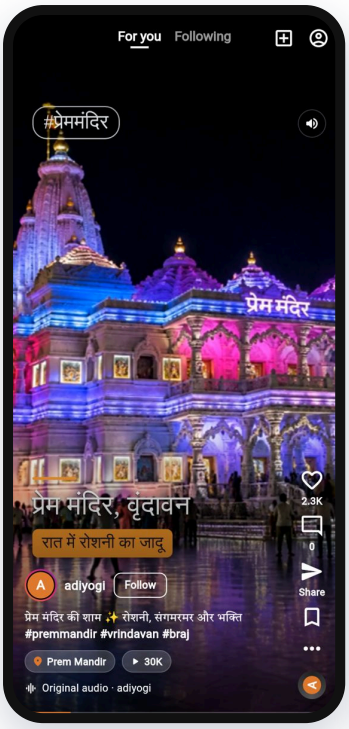

Notifications

“Your TirthNow pilgrimage has started. We wish you a safe and blessed journey!”

TirthNow

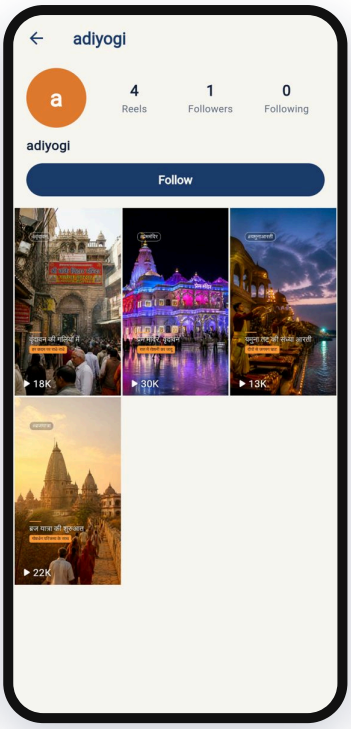

Reels & community

Share and watch pilgrimage moments.

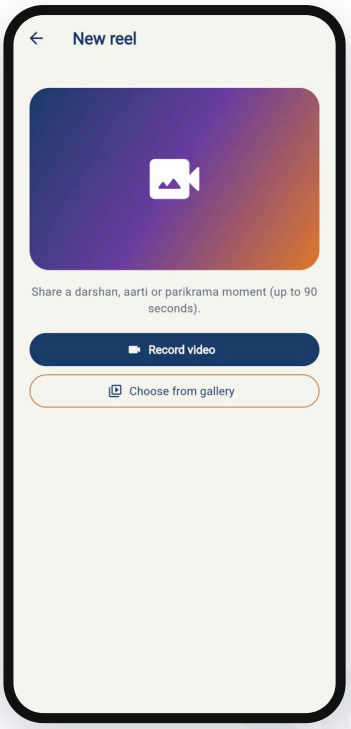

Reels

For you / Following, double-tap like, comments, share, save, follow; demo creator @adiyogi.

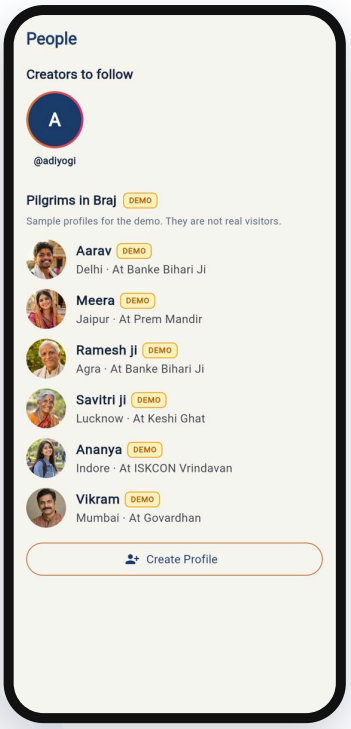

Creator profile

Reels grid with views, followers, Follow button.

New reel

Record or choose a video, then trim, filters, speed, text and sound in the editor.

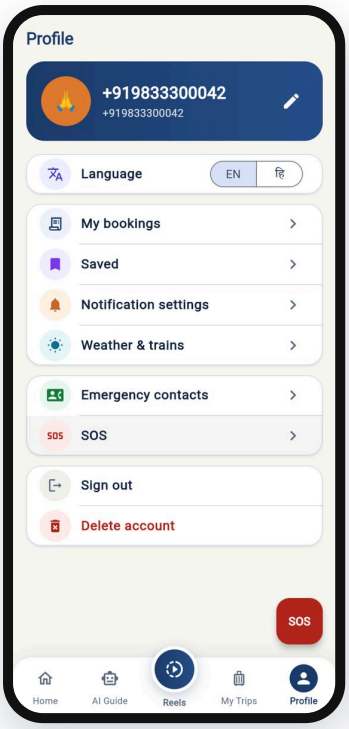

People

Creators to follow and pilgrims in Braj (sample profiles, clearly marked DEMO).

TirthNow

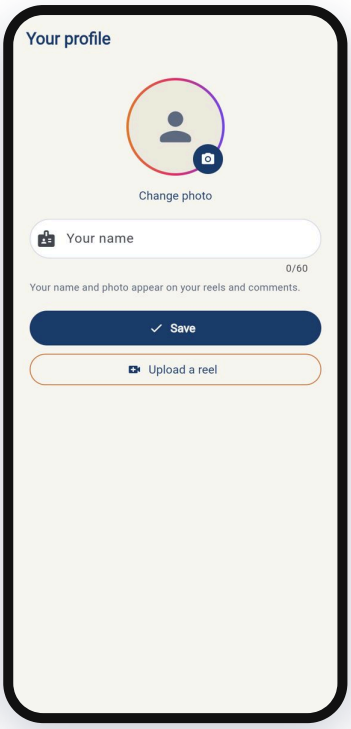

Profile & safety

Your account, and help when you need it.

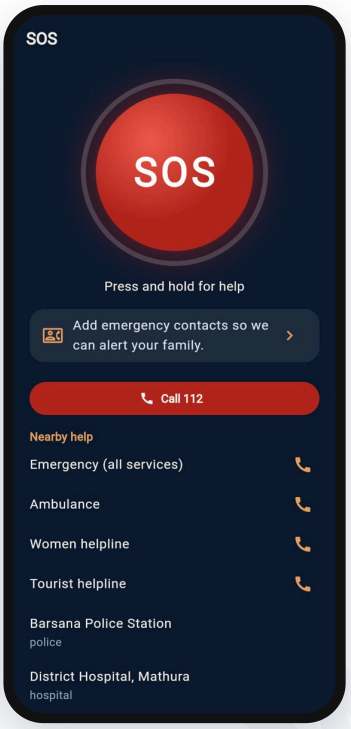

Profile

Language, bookings, saved, notifications, emergency contacts, sign out.

Create profile

Profile photo and name, shown on your reels and comments.

SOS

Press and hold for help: alerts family with live location; helplines and nearest police / hospital.

Screens captured from the current build using sample data. Items marked DEMO (sample pilgrims, crowd counts) and the demo voice are placeholders to be replaced before launch. Payments, SMS, maps and AI run on safe test services until the client's accounts are connected.
